

Quality Policy

Every **STECON Electromechanical Contracting L.L.C** employee shall endeavor to ensure satisfaction of our client by providing them with the best value in every product and service that carries the name of STECON.

We shall achieve Client satisfaction by:

- Providing a frame work for establishing and reviewing quality objectives.
- Recognizing & ensuring the direct responsibility of quality for everyone.
- Fully meeting all the internal and external commitments on time, every time.
- Continuously enhancing our knowledge, skills and system efficiency.
- Fostering a team approach to problem solving and for the prevention of defects.
- Planning, implementing and maintaining the Quality Management System.
- Ascertaining performance effectiveness and continual improvement of processes based on objective measurement.
- Fully abiding to the applicable Government legislation and regulations.
- Operating all our work places in a Safe and Healthy Environment.
- Exercising the highest level of integrity and respect in dealing with the colleagues, clients, suppliers and the community.
