COMPANY OVERVIEW

STECON is your best choice for Engineering, Construction, Project Management & Recruitment Services.

STECON consists on professionalism, combination of knowledge, work skill, extensive field experience and the solid customer commitment.

We believe to deliver world class services for any kind of challenging project within the defined limits to achieve our client's requirement. Our diverse portfolio encompasses Oil & Gas, Fertilizers, Energy, Process Industries, and Government Organizations.

STECON has contributed to elevate the community standards by providing opportunities to very root of the society, while aiming to improve the life quality of the people around the gulf. Time and our work has demonstrated that the only limits on human achievements are those that we place on ourselves.

STECON is privately owned entity with our head office based in Abu Dhabi; where regional offices are in Dubai (U.A.E) & Lahore (Pakistan).

STECON is an umbrella of highly professional management team which possesses decades of years experience in various fields and successfully delivered projects of engineering, manufacturing, mechanical & civil construction, shutdowns, plant maintenance, turnkey (EPC) solutions and as well as recruitment services to our clients.

ABOUT US

MISSION

To provide an excellent level of professional and project management services with high sense of responsibility to our clients and business associates.

VISION

Our vision is to be a world class reliable engineering solution for the social, economical and assets development of our operational regions around the world.

VALUES

PROFESSIONALISM: Our commitment is top priority to deliver as per the client's satisfaction.

EXCELLENCE: We set high standards, apply advance technology, accept challenges, use best methodology and thrive on accomplishment.

ETHICS: Honesty, Integrity and Mutual respect are the theme of our company sprit.

SAFETY: No accident is our firm objective.

LINE OF BUSINESS

- ☞ Fabrication & Erection of Piping Works (CS, SS, GRE, GRP, HDPE) Fabrication & Erection of All kind of Piping Works (CS, SS, GRE, GRP, HDPE (Complete Scope)
- ☞ Oil & Gas Field Development, Refineries and Petrochemical Facilities District Cooling Plant (DCP) Construction / Commissioning & Maintenance
 - ☞ District Cooling Plant (DCP), Chilled Water Network (Buried Pipelines) Fabrication and erection of Tanks
 - ☞ Fabrication and erection of Tanks
 - ☞ Mechanical Structure Works
 - ☞ Solar Power Projects
- ☞ Maintenance, Revamp, Turnarounds / Shutdown, Chemical Cleaning, Environmental Clean up, Electro-mechanical Constructions
- ☞ Electro-mechanical, Civil Constructions Infra Structure Utilities Construction Work

QHSE POLICY

STECON proudly articulate its commitment to meet and when possible to even exceed from our client's requirements through continuous improvement of our processes. We are dedicated to deliver defect-free product on-time at the most competitive possible cost. We provide appropriate resources and actively seek the participation of all members of our employees, sub-contractors and clients in achieving safe and error free completion of work. Our Health, Safety, Environment & Quality Policy remind us:

- ❖ Develop and implement an Integrated Management System conforming to ISO 9001:2015, ISO 14001:2015 & OHSAS 18001:2007;
- ❖ Ensure the availability of personal, financial and human resources necessary to mitigate the adverse impact of its operations on HSE;
- ❖ Comply with or exceed all relevant Quality, Environmental, Health & Safety legal laws, regulations and other requirements;
- ❖ Periodically review the suitability, adequacy and effectiveness of the (QHSE) management system; management system and related performance;
- ❖ Prevent accidents and cases of work-related ill-health;
- ❖ Provide appropriate training to employees where applicable;
- ❖ Ensure that the company's QHSE policy is well communicated to all quarters concerned

The company aims to continually improve the effectiveness of this QHSE policy during periodic management meeting to achieve the settled quality objectives.

Syed Asghar Ali
Managing Director
STECON Engineering Group of Companies

ON-GOING PROJECTS

- ◆ **Dalma Gas Development Project – Electrical & Instrument Works on Offshore Skids i.e. Cable tray erection, cable laying, lightening works, etc.**
Client: Ali & Sons/Falcor Engineering
- ◆ **Al Dhafra PV2 Solar Power Project – PV DC Cable laying and other associated electrical works**
Client: CMEC/HPCC
- ◆ **Saddiyat Island Cultural District Remaining Infrast. & Lagoons Artificial Roads - AFC DC Isolation Chamber**
Client: Masdar/HILALCO
- ◆ **Crude Flexibility Project – Piping & Structural Steel Works**
Client: ADNOC Refining / Samsung Engineering
- ◆ **Development of Low Energy Desalination Plant Technology Optimised for Middle East Project**
Client: Masdar / Hyorim Industrial
- ◆ **Beeat Expansion Project – Mechanical, Electrical and civil works**
Client: ADNOC Refining / Intesca Industrial
- ◆ **Bab Integrated Facilities Project – Mechanical, Civil, & E/I Works**
Client: ADNOC Onshore / Samsung Engineering

SOLAR POWER PROJECT

- ◆ **Al Dhafra PV2 Solar Power Project – PV DC Cable laying and other associated electrical works**
Client: CMEC/HPCC

- ◆ **Sweihan Solar Power Plant - Installation of module mounting structure (MMS), installation of PV modules , string formation/ looping, wye delta connector installation, installation of SCBs (string combiner boxes)**
Client: Lattice General Contracting LLC / Sterling & Wilson

- ◆ **Installation & Comm. of Solar Powered Lightening at BAB yard**
Client: ADNOC Gas Progressing / EEIC

COMPLETED PROJECTS

- ◆ **HC Flare line Re-location To Its Original Position – Piping Modification Works During 7 Days Shutdown**
Client: ADNOC GP/Falcor
- ◆ **Tank T-46 & T-47 Refurbishment in Fertil-II – Blinding, Purging, inspection, cleaning (Hydro jetting), patch works, NDE, De-blinding**
Client: ADNOC Fertilizers
- ◆ **Valves Refurbishment Works – Removal and re-installation of 8” to 50” Valves During Habshan-0 Shutdown**
Client: ADNOC Gas Processing/ Descon
- ◆ **HC Flare line Re-location To Its Original Position – Piping Modification Works During 7 Days Shutdown**
Client: ADNOC GP/Falcor Engineering
- ◆ **Bu-Hasa Integrated Field Development Project (BUIFDP) - Installation of new temporary site facilities and refurbishment of existing facilities**
Client: Tecnicas Reunidas - Initec Plantas Industrials S.A.U
- ◆ **Link Road between Sheikh Khalifa Street (Fujairah) With Khatam Al Mualaha Border Post and Road E99 (Phase 2) Pipeline Rerouting Project in Kalba**
Client: SEWA - Cont: M/S Hawk Energy
- ◆ **Replacement of 16” & 24” Condensate Pipeline from Habshan to Ruwais KP 0+000 to 2+000**
Client: ADNOC Gas Processing / Petromen Contracting & Oilfield Services

COMPELETED PROJECTS

- ◆ **Replacement of 24" condensate pipeline from Habshan to Ruwais**
Client: ADNOC Gas Processing - Cont: M/S Essar Constructions Overseas Limited
- ◆ **SARB Field Development Project - Technical Services for Piping, Steel Structure, E & I Works -**
Client: ADMA-OPCO (ADNOC) - Cont: M/S Hyundai Engineering
- ◆ **Technical Support for Piping & Structural Steel Modifications & Plant Commissioning Works in IGD-E Project**
Client: ADNOC (GASCO) - Cont: M/S Tecnicas Reunidas
- ◆ **Sweiha Solar Power Plant - Installation of module mounting structure (MMS), installation of PV modules , string formation/ looping, wye delta connector installation, installation of SCBs (string combiner boxes)**
Client: Lattice General Contracting LLC / Sterling & Wilson
- ◆ **Installation & Comm. of Solar Powered Lightening at BAB yard**
Client: ADNOC Gas Progressing / EEIC
- ◆ **Mirfa Independent Water & Power (IWPP) Project**
Client: MPC / INCO
- ◆ **Repair & Reinstatement of Assets Damage Due to Rain/Flooding event 3rd March, Project**
Client: ANDOC Onshore / TMEGC
- ◆ **Technology Trail of Reinforced Thermo Plastic (RTP) Pipeline (S-245)**
Client: ANDOC Onshore / Ali& Sons Oil Field Supplies & Services

GLIMPS OF SOLAR PROJECT

GLIMPS OF SOLAR PROJECT

DESALINATION PROJECT

GLIMPS OF RTP PROJECT

STECON has gratitude to execute the only kind of state of the art Reinforced Thermoplastic Pipe (RTP) pipeline project.
